WBSref = WBS code
EF= Early Finish
Title = WBS task description
LS= Late Start
DUR=Duration, in weeks
LF= Late Finish

NOTES

This is a summarized CPM covering the key activities and approval milestones

Due to the size of the CPM, the next pages contain the CPM as follow:

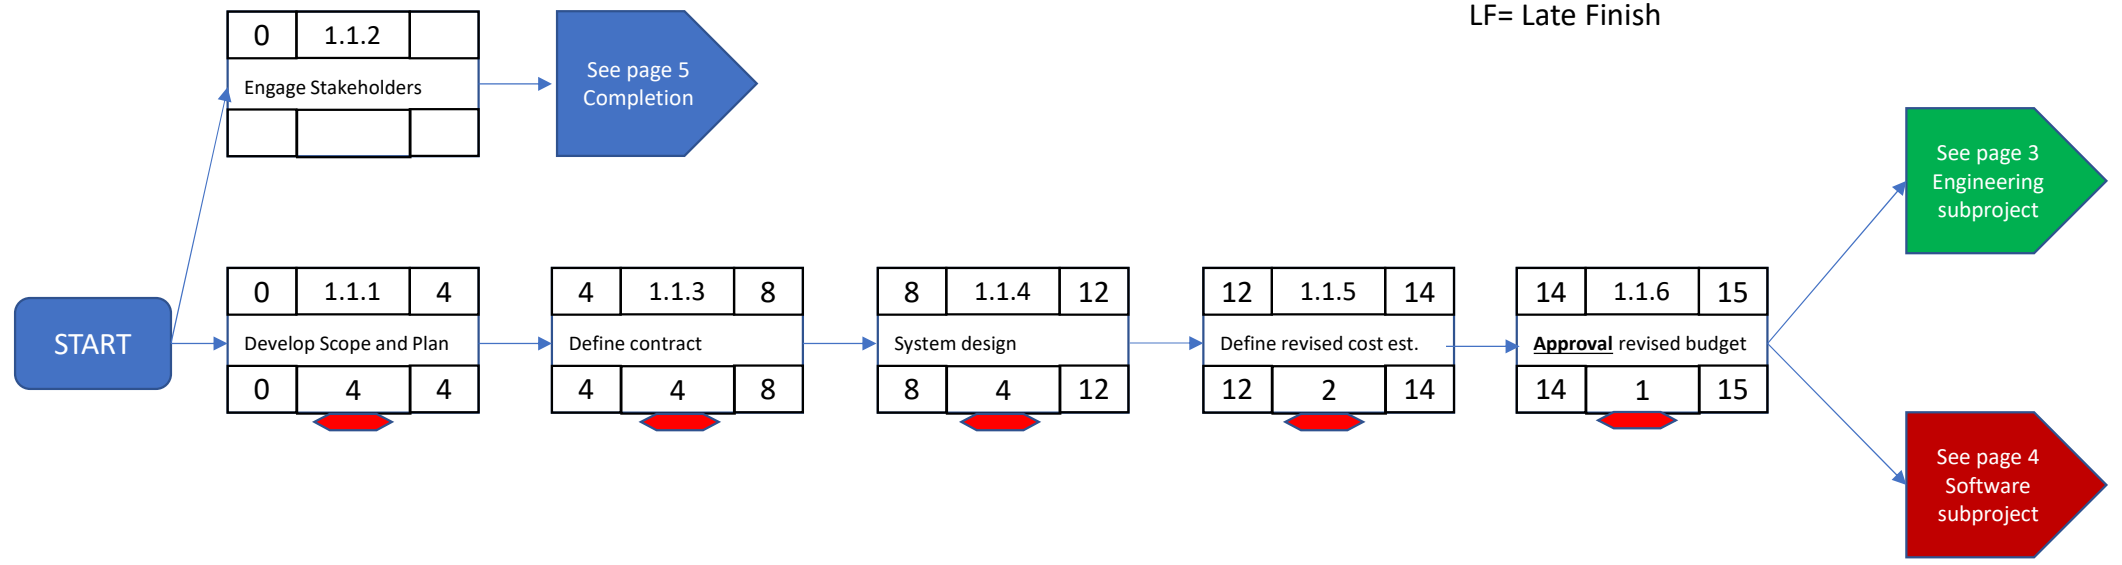

- 1) Project initial activities (showing also the activities prior to 2024-01-05), linked then to the pages that follow
- 2) Engineering branch
- 3) Software development branch
- 4) Integration and project completion

Critical path: all the tasks on the critical path are highlighted with 

Wilmont Pharmacy Drone Delivery Project - Project CPM
